### Look What Past **It's All About ME** Students Are Saying!

"Tekki managed to push every member of our class (performers, mothers, actors, comedians, novices, and experts) to create and realize unique, dynamic one-person shows. The workshop environment proved the perfect balance of supportive encouragement and personal challenge."

Danielle, Teacher

"Tekki possesses the rare ability to teach her craft to everyone."

L. Cooper, Motivational Speaker

"I have never learned as much in any other class — about acting, timing, bringing life experience to my work, and about myself! Every observation Tekki makes opens a new window, suggests a possible new direction, fine-tunes a choice. I gained so much that I want to work with her again and again."

Nita, Actress
